Convention and Exhibition Centers

The world's leading convention and exhibition centers trust their venue and event management solution to Momentus. Globally recognized as the most powerful intuitive platform, our solutions include advanced CRM, ERP and exhibitor services that are easy to use and optimized for convention center operations. Additionally, event organizers can streamline their show and exhibitor management with one end-to-end-solution. ExCel London, New Zealand International Convention Centre, Orange County Convention Center and several hundred more rely on the Momentus platform to maximize space utilization, increase revenue and attain high levels of service.

Higher Education

Colleges and universities have digitally transformed their venue and event management with Momentus. Achieve campus-wide visibility and control of all event spaces—including sports complexes, conference services, continuing education, camps and more—to improve efficiency and lower risk. Our powerful, easy-to-use platform includes an integrated calendar and bookings management to capture, track and measure event operations, improve communications and generate more revenue. Momentus is trusted by Harvard University, Duke University, Boston College and many more higher education institutions.

Corporate

Offer employees a premium workplace hospitality experience with Momentus. Improve efficiency in managing corporate facilities and enhance employee experiences in hybrid office environments with our modern, purpose-built platform. Leverage detailed event and financial reports to streamline operations, simplify catering management, reduce expenses and improve employee satisfaction. Momentus is used by Nike, Microsoft, Google and more to efficiently manage their campus facilities and strengthen their workplace culture.

Stadiums and Arenas

Over half of NFL, NBA and NHL teams rely on Momentus to maximize revenue generated by their stadiums and arenas, along with many MLB, MLS and Premier League teams. Optimize complex live entertainment schedules with an advanced booking calendar and powerful holds management to easily share availability with agents and promoters. Momentus' modern and easy-to-use platform is the catalyst for execution, visibility and business intelligence.

Arts and Culture

Momentus digitally transforms performing art centers, museums and cultural centers by optimizing their venue and event management operations to enrich their communities with delightful experiences. Produce powerful insights in an instant on our platform designed for efficiency and accuracy. The Apollo Theater, Walt Disney Concert Hall, Kimmel Center and more rely on Momentus to ensure seamless operations at their world-famous performing arts centers and museums.

Our mission

To empower our customers globally to create extraordinary moments.

We are and always have been focused on continuously innovating and evolving our platform to provide access to all the best resources, all in one place.

We strive to:

Equip our clients with intuitive technologies and unparalleled expertise.
