

## Additional Onsite Days

Base Travel Fee covers travel fees such as transportation, accommodations, and incidentals for one (1) Provider Resource for one (1) eight (8) hour day onsite. If the onsite exceeds a single (1) eight (8) hour day, an Additional Onsite Day is required for each additional eight (8) hour day the Provider Resource is onsite. A single (1) Additional Onsite Day assumes a two (2) day onsite.

If Additional Onsite Days are purchased, Provider assumes the Base Travel Fee is included and accounted for.

If more than one (1) Resource is attending an onsite, a Base Travel Fee and respective Additional Days will be required for each individual Resource going onsite.

All Travel Fees, Base Travel Fee and Additional Onsite Days, must be paid in advance from the Resource(s) going onsite.
