

Base Travel Fee

Base Travel Fee covers travel fees such as transportation, accommodations, and incidentals for one (1) Provider Resource for one (1) eight (8) hour day onsite. If the onsite will exceed a single (1) eight (8) hour day, Additional Onsite Day(s) will need to be purchased to cover each additional eight (8) hour day the Resource is onsite.

If more than one (1) Resource is attending onsite, a Base Travel Fee will be required for each individual Resource attending.

Base Travel Fee must be paid in advance from the Resource(s) going onsite.
