Out-of-the-Box Integrations With Best-of-Breed Applications

Why Momentus Priava?

Easy to set up & use

There's no need to install anything on your computer, and the intuitive layout makes it easy to use.

- Accessible anytime, anywhere via any computer, tablet or mobile device
- The intuitive layout means new users can navigate the system with ease
- Designed to support busy venues and event teams who need to multitask

Intuitive

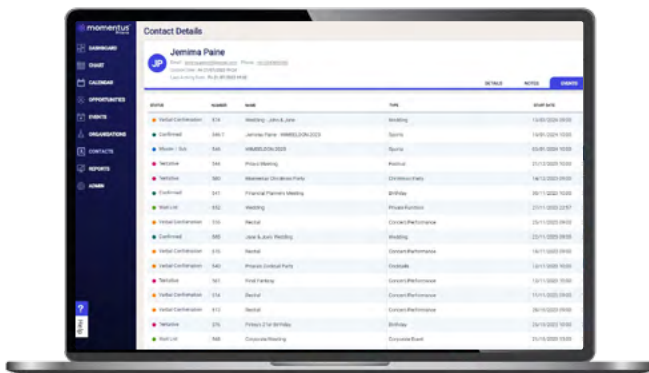

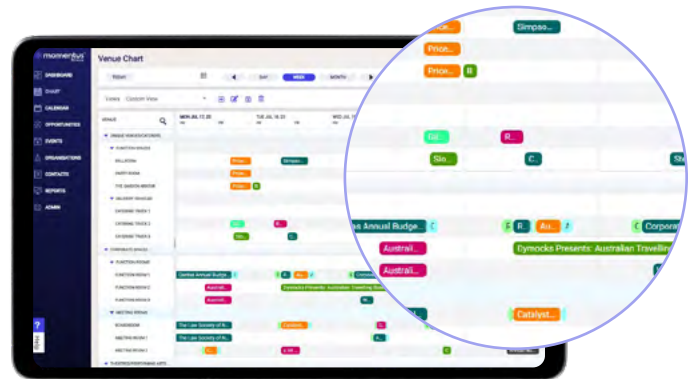

Momentus Priava brings your venue and event data to life, by making it simple to produce, save and share detailed yet comprehensive reports.

- More than 40+ report templates available
- Customise reports to suit your business and brand
- Email reports and invoices directly from the system
- Schedule automatic reports with notifications

Plan the future

Our interactive chart gives you complete visibility of your bookings, making it easier than ever to respond to incoming enquiries and manage your upcoming events and venue bookings.

- View real-time availability at a glance
- No risk of double bookings with conflict checks
- Customisable event statuses make it easy to differentiate between confirmed, tentative and other bookings
- Access and edit events from the calendar view

Single source of truth

A good CRM helps you to build trust with your customers which is why we've specifically designed Momentus Priava's CRM to put key client information at your fingertips.

- Track correspondence against Opportunities, Events, Contacts and Organisations
- View a full history of all of the Opportunities and Events linked to Contacts and Organisations
- Our Data Privacy feature ensures all contact information can comply with GDPR

Our Customers

Trusted by leading venues and organisations worldwide.

Our customers include:

- Stadiums & Arenas
- Conventions, Exhibitions & Conference Centres
- Caterers
- Museums & Galleries
- Performing Arts Venues
- Councils & Local Government
- Corporate Meeting Rooms
- Educational Facilities
- Other Unique Venues

Our Commitment

Delivering software with the highest quality and performance.
